

**RON SANTO**

**WALK  TO CURE DIABETES**

*dedicated to finding a cure*

2009 marks the 31<sup>st</sup> Annual **Ron Santo Walk to Cure Diabetes**. Your time and talents are needed! Join us as we aim to surpass last year's \$5.2 million for diabetes research! We're walking in our new Central Illinois location in Peoria on **Sunday, September 13, 2009** and in five Chicago area locations on **Sunday, October 4, 2009**.

We are proud to be part of an organization that is making a difference and we value your past support. **We hope that you will be able to volunteer at least four hours on Walk weekend.** Volunteers are needed to help unload supplies; hang signage; work check-points, registration, T-shirt and food tents; welcome walkers; inventory supplies and clean up.

The Walk sites are located at:

- **Central Illinois:** Glen Oak Park in Peoria
- **Chicago Lakefront:** Lawrence Avenue and the Lake
- **North Suburbs:** Independence Grove in Libertyville
- **Northwest Suburbs:** Busse Woods
- **Southwest Suburbs:** Centennial Park in Orland Park
- **West Suburbs:** Community Park in Lisle

**Please select the Walk location that works best and return the enclosed form to the corresponding address or fax.** If you represent a club, organization, or group who is interested in volunteering together, let us know. You will be contacted by the volunteer chair and provided with check-in information. You will also receive an official JDRF volunteer T-shirt when you arrive.

**Your partners for a cure,**

*Amanda Streitmatter*, Central Illinois Chair

*Adnan Nisar*, Lakefront Chair

*Laurie Davis*, North Suburban Chair

*Rosemarie Schuch*, Northwest Suburban Chair

*Denise Hooten*, Southwest Suburban Chair

*Kathy Mullen & Lisa Bottorff*, West Suburban Co-chairs
